

**AFRICAN COMMUNITY CENTER ATLANTA  
THE ART AND CULTURE THINK TANK**

Welcome to the page for The Art and Culture Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Art and Culture.

We do this by creating a listing of all the individuals, organizations, and institutions doing work around this vital interest area.

The entities on the Art and Culture Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other and work together to address the issues in this particular interest area.

The listed entities are also asked to submit to [functionalunity@bellsouth.net](mailto:functionalunity@bellsouth.net) information on ideas, concepts, principles and practices in the area of Art and Culture, that when shared with our community causes us to grow.

We, the Art and Culture Think Tank, report what we feel are opportunities for and obstacles to Our collective advancement, and neglected areas in the area of art and culture to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the ACC Art and Culture TT List, please email the [centerofafricancommunity@unity4power.org](mailto:centerofafricancommunity@unity4power.org) with the subject line Art and Culture Think Tank List

Art carries the stories of Our unique and powerful culture.
