AFRICAN COMMUNITY CENTER ATLANTA

THE COMMUNITY ASSEMBLY

Welcome to the page for The Community Assembly Team of the African Community Center (ACC). We are the unit responsible for planning promotion, and production of the ACC Quarterly Community Assemblies.

ACC Community Assemblies are a time for all the individuals, organizations, and institutions from Our community who live, love, and labor for our upliftment to come together, to see each other's faces, see each other's families, to discuss vital issues; giving and gaining energy; to talk through conflicts and contradictions that cause us to struggle as a unified force on the planet, and to reenergize for the duration of the Journey to **Kilimanjaro** knowing each other *at least enough* to function together in this work.

The Community Assembly Team accepts suggestions for concepts for Community Assemblies from anywhere in Our community. To suggest a concept, use the subject line "Assembly Suggestion" and email a suggested topic, title, and vision for the Assembly to thecenterofafricancommunity@unity4power.org. If your concept is chosen by the Assembly team and approved by the Unity Council, you will be contacted and offered an opportunity to assist in the planning, promo., and/or production. You are not required to assist in order to suggest a concept, your assistance is voluntary.
