THE COUNCIL OF AFRICAN ELDERS SUPPORT**

Welcome to the page for The Metro Atlanta Council of African Elders (MACAE) Support Team of the African Community Center (ACC).

In Our community, we look to the elders for council. The African Community in Atlanta has invited community members to nominate African Elders, who, they themselves, or as a part of an organization or institution have displayed good character, are disciplined, respect the human rights of others, possess wisdom (applied knowledge), and common sense, to sit on an Elder Council to give specific guidance to those community members in need, and to issue general guidance based on Maat to the entire community. Elders have the intensity and diligence to help bring balance and harmony to the community. As the community that nominates these elders to share their wisdom, our utmost respect and honor is due to them and their words.

We, the Elder Council Support Team are the unit responsible for supporting MACAE by organizing and facilitating sessions, and formatting summary/findings.
