

**AFRICAN COMMUNITY CENTER ATLANTA  
ECONOMICS, BUSINESS AND TRADE**

Welcome to the page for The Economic Business and Trade Think Tank of the African Community Center Atlanta (ACC-ATL). We are the unit responsible for unifying the community around the vital interest area of Economics.

We do this by building and maintaining a listing of All the community members, organizations, and institutions doing work around Economics.

The entities on the Economics, Business and Trade Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work, and to reach out to each other to work together to address the issues in this particular interest area.

The listed entities are also asked to submit to [functionalunity@bellsouth.net](mailto:functionalunity@bellsouth.net) information on ideas, concepts, principles and practices in the area of Economics, that when shared with our community causes us to grow.

We, the Economics, Business and Trade Think Tank, report what we feel are opportunities for, and obstacles to Our Collective advancement, and neglected areas in this part of Our community life to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the Economic, Business and Trade TT List, please email the [centerofafricancommunity@unity4power.org](mailto:centerofafricancommunity@unity4power.org) with the subject line Economics Think Tank List
