

**AFRICAN COMMUNITY CENTER ATLANTA
EDUCATION**

Welcome to the page for Education Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Education.

We do this by building and maintaining a listing of All the individuals, organizations, and institutions in our community doing work around this vital interest area.

The entities on the Education Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other to work together to address the issues in this particular interest area.

The listed entities are also asked to submit to functionalunity@bellsouth.net, information on ideas, concepts, principles and practices in the area of Education, that when shared with our community causes us to grow.

We, the Education Think Tank, report what we feel are opportunities for, and obstacles to Our collective advancement, and neglected areas in this part of Our community life, to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the Education TT List, please email the centerofafricancommunity@unity4power.org with the subject line Education Think Tank List
