

**AFRICAN COMMUNITY CENTER ATLANTA
THE FAMILY THINK TANK**

Welcome to the page for The Family Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Family.

We do this by creating a listing of all the individuals, organizations, and institutions doing work around this vital interest area.

The entities on the Family Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other and work together to address the issues in this particular interest area.

These entities are also asked to submit to functionalunity@bellsouth.net information on ideas, concepts, principles and practices in the area of Family, that when shared with our community causes us to grow.

We, the Family Think Tank, report what we feel are opportunities for and obstacles to our collective advancement and neglected parts in this particular area of Family to the Center to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the ACC Family TT List, please email the centerofafricancommunity@unity4power.org with the subject line Family Think Tank List
