

**AFRICAN COMMUNITY CENTER ATLANTA
THE HEALTH AND WELLNESS**

Welcome to the page for The Health and Wellness Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Health and Wellness.

We do this by building and maintaining a listing of All the individuals, organizations, and institutions doing work around this vital interest area.

The entities on the Health and Wellness Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other to work together to address the issues in this particular interest area.

The listed entities are also asked to submit to functionalunity@bellsouth.net information on ideas, concepts, principles and practices in the area of Health and Wellness, that when shared with our community causes us to grow.

We, the Health and Wellness Think Tank, report to the Center what we feel are opportunities for and obstacles to Our collective advancement, and the neglected areas in the health and wellness arena of Our community life, to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the Health and Wellness TT List, please email the centerofafricancommunity@unity4power.org with the subject line Health and Wellness Think Tank List
