

**AFRICAN COMMUNITY CENTER ATLANTA
LAW AND LEGAL**

Welcome to the page for Law and Legal Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Law.

We do this by building and maintaining a listing of All the individuals, organizations, and institutions in our community doing work around this vital interest area.

The entities on the Law and Legal Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other to work together to address the issues in this particular interest area.

The listed entities are also asked to submit to functionalunity@bellsouth.net information on ideas, concepts, principles and practices in the area of Law, that when shared with our community causes us to grow.

We, the Law and Legal Think Tank, report what we feel are opportunities for, and obstacles to Our collective advancement, and neglected areas in the law and legal part of Our community life, to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the Law and Legal TT List, please email the centerofafricancommunity@unity4power.org with the subject line Law and Legal Think Tank List
