

**AFRICAN COMMUNITY CENTER ATLANTA
MEDIA**

Welcome to the page for Media Think Tank of the African Community Center-Atlanta (ACC-ATL). We are the unit responsible for unifying the community around the vital interest area of Media Influence.

We do this by building and maintaining a listing of All the individuals, organizations, and institutions in our community doing work promote and protect the interest of Africans (Blacks) in media (writers, film makers, graphic artists, etc.)

The entities on the Media Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other entities on the list to work together to address the issues in this particular interest area.

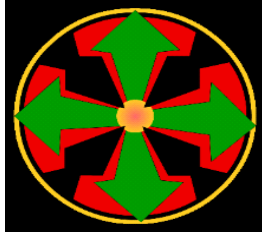

The listed entities are also asked to submit to functionalunity@bellsouth.net information on ideas, concepts, principles and practices in the area of Media Influence, that when shared with our community causes us to grow.

We, the Media Think Tank, report what we feel are opportunities for, and obstacles to Our collective advancement, and neglected areas in this part of Our community life, to contribute to V&R's and Community Assembly Concepts related to the influence of Media on our community.

To have your work reflected on the Media TT List, please email the centerofafricancommunity@unity4power.org with the subject line Media Think Tank List
