

**AFRICAN COMMUNITY CENTER ATLANTA  
THE PAN- AFRICAN ADVISORY TO THE UNITY COUNCIL**

Greetings, from the Pan-African Advisory to the Unity Council of the African Community Center Atlanta. The Unity Council is elected to oversee the administration of the FU Process and to participate in a collective process of Voice and Recommend designed to inform the community of opportunities for our collective rise, obstacles to our collective rise, and issues that need our attention.

We, the Pan-African Advisory, use our collective knowledge, experience, and perspective as individuals concerned with the Pan-African movement to help the Unity Council to develop ideas for V&R's and to help the Community Assembly team develop ideas for Community Assemblies.

We list individuals, organizations, institutions, projects, and programs that are concerned with Pan-African issues. The entities on the list are encouraged to promote their work through the FU Platform and to work together to address Pan-African issues. Please volunteer energy through 10-10-50 and reach out to these entities if you need their services.
