

**AFRICAN COMMUNITY CENTER ATLANTA  
SECURITY**

Welcome to the page for Security Think Tank of the African Community Center (ACC). We are the unit responsible for unifying the community around the vital interest area of Security.

We do this by building and maintaining a listing of All the individuals, organizations, and institutions in our community doing work around this vital interest area.

The entities on the Security Think Tank list are encouraged to use the 9 free services of the FU Platform to promote their work and to reach out to each other to work together to address the issue of Security in our community.

The listed entities are also asked to submit to [functionalunity@bellsouth.net](mailto:functionalunity@bellsouth.net) information on ideas, concepts, principles and practices in the area of Education, that when shared with our community causes us to grow.

We, the Security Think Tank, report what we feel are opportunities for, and obstacles to Our collective advancement, and neglected areas in this part of Our community life, to contribute to V&R's and Community Assembly Concepts.

To have your work reflected on the Security TT List, please email the [centerofafricancommunity@unity4power.org](mailto:centerofafricancommunity@unity4power.org) with the subject line Security Think Tank List
