THE UNITY COUNCIL APPRECIATION BANQUET

Welcome to the page for The Unity Council Appreciation Banquet Team of the African Community Center (ACC). We are the unit responsible for planning, promoting, and producing the annual banquet in honor of Our elected **Unity Council** members and their service to the community.

The Banquet is a formal annual dinner celebrating service, and also celebrating Our Community's initiative to be self-determined, as we have created an election process where we collectively nominate and elect leaders that we know, from Our communities to come together to look out for our best interest, to evaluate and analyze our situation, and to give voice and guidance to Our energy.
