AFRICAN COMMUNITY CENTER ATLANTA

THE YOUTH ADVISORY TO THE UNITY COUNCIL

Greetings, from the Youth Advisory to the Unity Council of the African Community Center Atlanta. The Unity Council is elected to oversee the administration of the FU Process and to participate in a collective process of Voice and Recommend designed to inform the community of opportunities for our collective rise, obstacles to our collective rise, and issues that need our attention.

We, the Youth Advisory, use our collective knowledge, experience, and perspective as youth to help the Unity Council to develop ideas for V&R's and to help the Community Assembly team develop ideas for Community Assemblies.

We list individuals, organizations, institutions, projects, and programs that are concerned with Youth issues. The entities on the list are encouraged to promote their work through the FU Platform and to work together to address Youth issues. Please volunteer energy through 10-10-50 and reach out to these entities if you need their services.
